About Lynda Shipway

Lynda Shipway began her career in the equine industry as a teenager. She has cared for more than 80 horses at a time and started her own stable of horses while still in her teens. She has spent over 30 years training horses and their riders for show and pleasure riding. She has been successful in showing horses in class A, Regional, and National Arabian and Open horse shows. She has competed also in western, hunt seat, show hack, saddle seat, halter, costume, driving and sidesaddle competitions. Lynda is a CHA certified instructor in English and Western riding. She teaches adults and children to ride and care for horses in a safe and positive atmosphere. Lessons are available year-round.

Our Facility

Hollywood Hill Equestrian Center, Inc. is a year-round teaching and boarding facility. Students can take lessons in private or group classes. Adults and children are welcome. This facility includes a large boarding stable and spacious, covered riding arena, plus a new outdoor arena. Lessons are offered in Western or English riding and we emphasize safety, education and having fun. There are numerous school horses to choose from, plus we can board or lease horses for students. We are located in a park-like setting. Waiting parents can stay and watch their children ride or do errands in nearby, downtown Woodinville.
